O God of Youth

God has richly blessed Luther High North in the past years — a school which has grown from a dream to a reality. God is the One who made those dreams come true. He is the One who set a pattern safe to follow for youth in the past fifty years and for youth ever since time began.

As we look through these pages, let us see how our God has been the GOD OF YOUTH.

THE GOLDEN YEAR

This year is the fiftieth anniversary of secondary education in Chicago. Few of us realize what hardships arose in planning such a school as ours.

The idea of a Lutheran high school came in 1907 when a committee was appointed by the Concordia League to consider secondary education. It was found that a majority of congregations thought it necessary to have a Lutheran high school in the Chicago area.

On September 3, 1913, five thousand people witnessed the laying of the Luther Institute cornerstone. Funds were low, but the prayers of its founders were answered when Luther Institute was dedicated on August 27, 1916.

Luther Institute eventually became so crowded that branch schools were opened. Later, during depression years, these branch schools were closed because they were no longer needed.

On July 1, 1943, the Lutheran High School Association of Greater Chicago assumed the ownership and management of Luther Institute. This association was organized in 1945 to build and operate additional Lutheran high schools in the Chicago area.

Luther Institute was evacuated on July 10, 1952. Temporary quarters were rented at 28 North Franklin, just outside Chicago's Loop.

After the closing of Luther Institute, three new schools were opened. In July, 1951, Luther High South was opened. Walther Lutheran High School was opened in September, 1954. The direct descendant Luther High North was dedicated on September 20, 1954.

Through the fifty years of secondary education, our Lord has truly been the GOD OF YOUTH. He has seen the needs of youth and blessed us with these wonderful schools.

LUTHER HIGH SCHOOL SOUTH

LUTHER INSTITUTE

Dedication

We, the Anniversary Year graduates, dedicate this Log to the founders of Lutheran high school education in Greater Chicago. Those pastors, teachers, and laymen who fifty years ago opened the doors of Luther Institute, now, fifty difficult yet bounteous years later, walk with us in spirit as we leave the school, which their efforts brought to reality.

Our school, which for a long time existed only in the minds of these men, now is a reality. It was their foresight and dedication to Christian youth which made a school as ours possible. We cannot put into words the many blessings we have derived by attending a school which is built upon Christian ideals.

It is with a fervent hope and prayer that the knowledge and experiences obtained at the school which these men made possible will enable us to serve to our latest extent in the Lord's kingdom and help us in extending Christian education in whatever community the future places us.

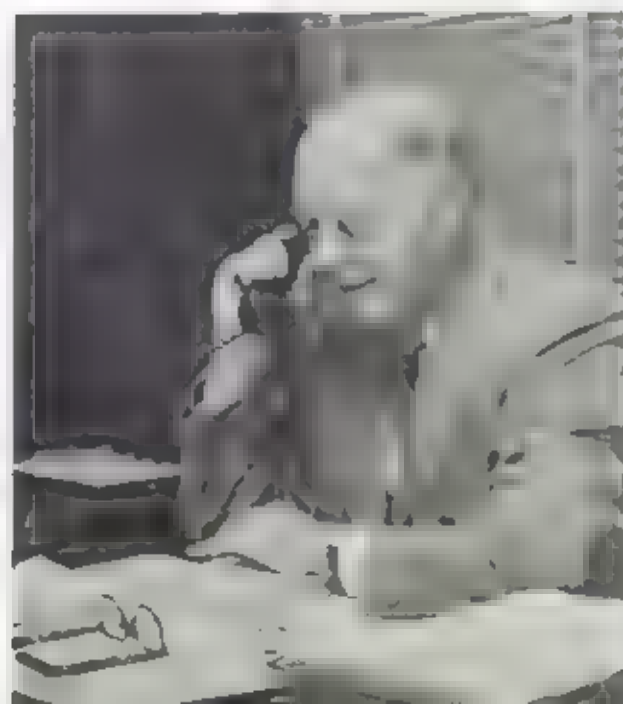

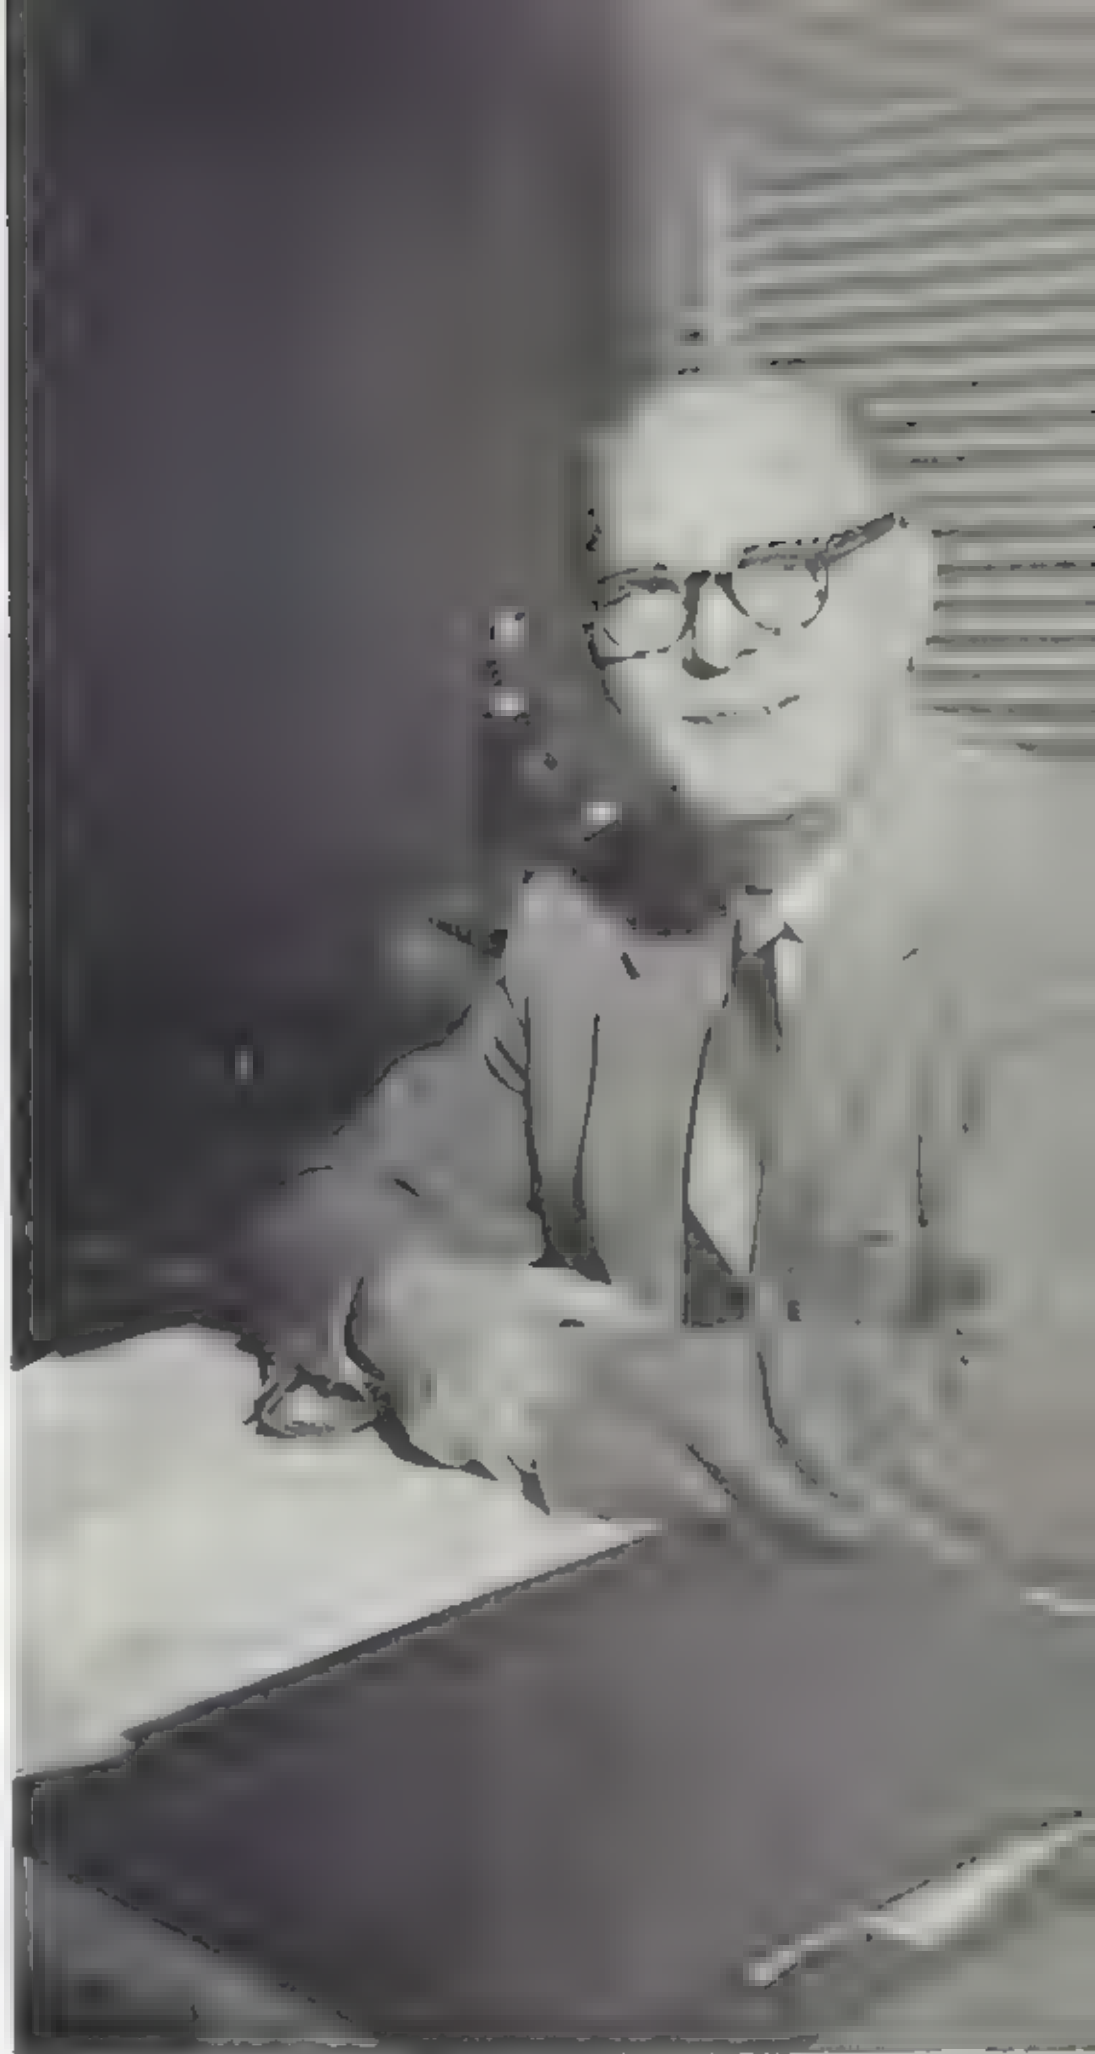

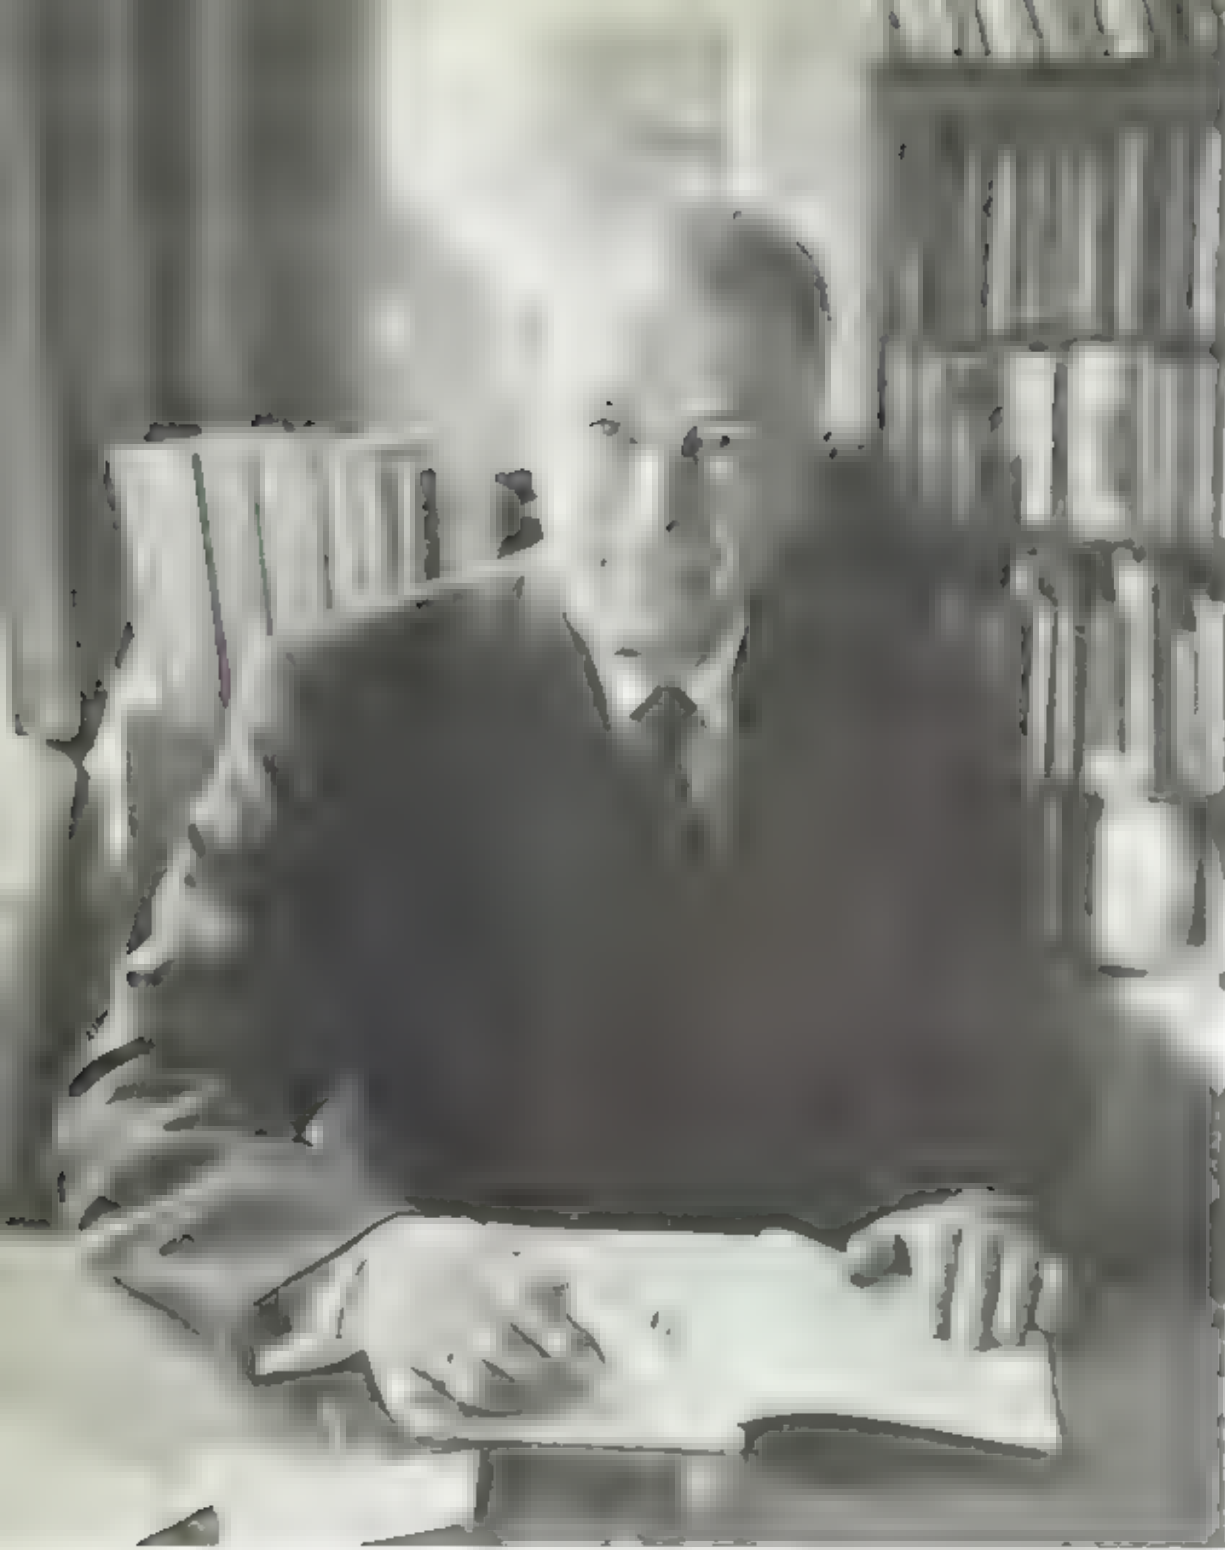

TO THE GRADUATES:

A half century ago devoted men and women with vision planned and founded Lutheran secondary education in Chicago. Their beginnings were humble very humble. Today, fifty years later their efforts have blossomed into a growing educational system. These founders were men of faith strong hearted men, willing to sacrifice, whose love for their Savior prompted them into action so that the Lutheran high school movement had its birth in the Chicago area.

May you, the graduates of Luther North of 1959, the heirs of the past, find inspiration in the deeds of those who contributed so much to the growth of Christian secondary education. Soon you will be given the opportunity to step into the footsteps of those who blazed the trail. May it then be said of you: They were men of faith of vision and of love for others.

Louis A. Menking
Principal

Dr. Henry J. Boettcher

After twenty years of service in education, Dr. Henry Boettcher is going to retire. In 1952 he was appointed superintendent of the Lutheran High School Association of Greater Chicago. During the time he has served Lutheran South Western and our school as superintendent, these three high schools have prospered and continued to grow. Dr. Boettcher graduated from the University of St. Louis, Missouri, and following this he went on to receive his master's degree at the University of 1940 and his Ph.D. at the University of Minnesota in 1938. For a number of years he served the parish of St. Mary in Chicago and was the counselor in charge of education in Minnesota until 1951 when he was appointed to his present position.

We would like to thank Dr. Boettcher for his service to Luther in high school and wish him God's richest blessings as he retires.

THE FACULTY

For the past four years, the faculty of our school has been working hard to make the task of educating young people a joy. Through the grace of God their wise counseling, patience and understanding has helped us to grow both in wisdom and in spirit. These our teachers have helped us to realize that there truly is a God. Youth, We thank you with deepest sincerity and pray that God may be with you always.

SENIOR CLASS IDEALS

Through the past four years in Christian soundings we the class of 1959 have grown in spirituality and mentally. Many blessings have been bestowed upon us. Going to a wonderful school such as this is a great blessing in itself.

It is an honor to graduate in this thirtieth anniversary year. As we realize what hardships were endured fifty years ago it makes us even more thankful for our school.

We cheerfully pray of thanks for the Christian faith we have received and also pray that as we leave the doors of Father the God of truth will continue to keep us from straying the path of life.

Men of God be for us who can be against us.

Ability and leadership might very well be used to describe the Junior Class. In fact, it was how well they related to each other that they have shown that they have the ability to assume responsibility in planning the Junior Class Bazaar.

Looking ahead, we feel that the needs of '60 will be met. Christ will be the God of Youth shine through in their forthcoming year.

A new group of sophomore class officers has been elected for the coming school year. By planning the Frosh-Soph party, they have shown that they have school spirit and able leadership.

Great responsibilities lie before them in their junior year. To meet these new responsibilities, they will need leadership and the help of God. May the God of Youth give them that help in their future years at Luther.

Class spirit and leadership has already shown itself in the freshman class. They have shown good spirit in such things as Initiation Day, and they have shown leadership in the Student Council and other activities.

We hope that in the remaining three years here at Luther North this spirit and leadership will continue. May the God of Youth give them success in the years still ahead of them

STUDENT COUNCIL

The Student Council is the governing body of Luther North. It is composed of members from the four classes. There are many things which the Student Council undertakes. Among these are the Homecoming new Christmas decorations, civic projects, and many more. With the cooperation of the school board and the help of their advisor, Mr. J. H. A., they have accomplished much and attained many of their goals.

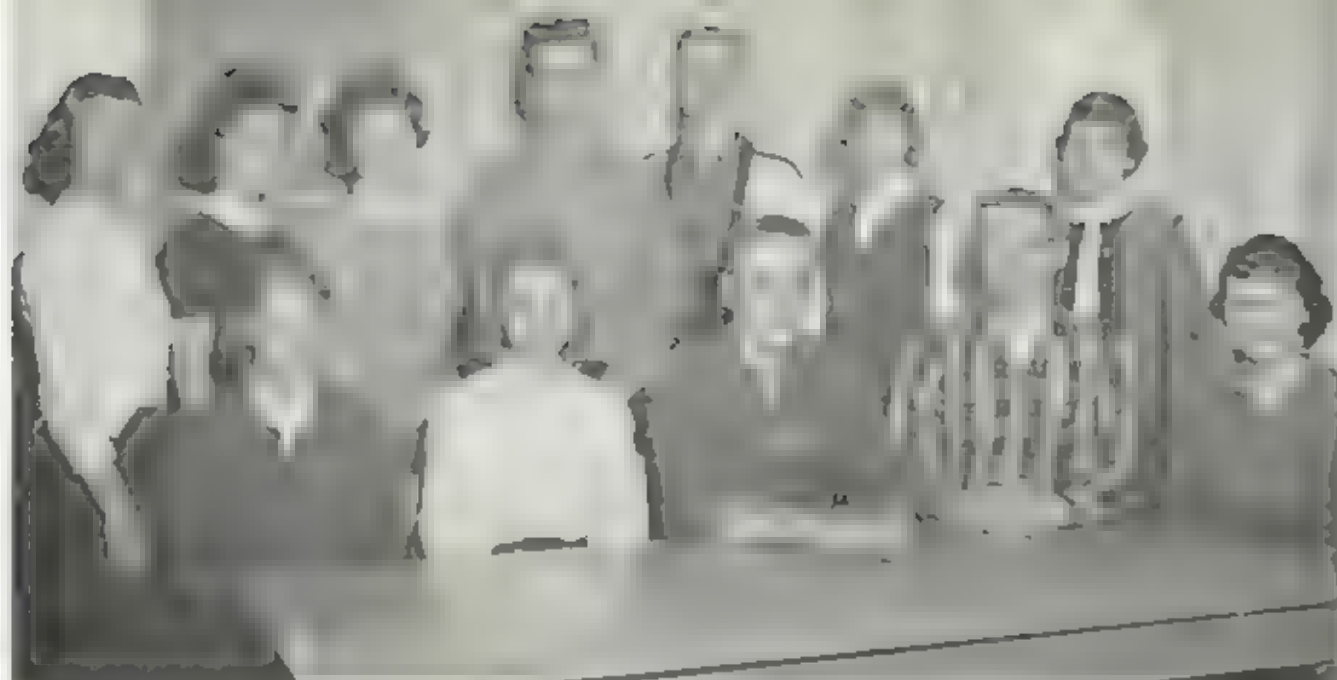

This year a new responsibility was added to the duties of the Student Council. Student Council members are now in charge of Student Control. Student Council members are also in charge of the Student Court and as monitors for detention hall. In addition to these duties, new plans for the improvement of Student Control were made.

Throughout the past year, the Student Council has attempted to do its best to the benefit of all concerned. If the Council is to continue properly, it needs the support and cooperation of the school board.

The work of the Student Council should not go unrecognized but should be commended as being of greatest importance to the school.

The class councils are composed of the officers of the class and elected homeroom representatives. They sponsor activities and do many things for their class.

One of the main functions of the Junior Class Council is to present the Junior-Senior Banquet. This involves a great amount of work such as raising funds and planning details.

The Senior Class Council has many small jobs to do for their class. They take care of graduation announcements, the Senior Class Gift, and the Junior-Senior picnic.

THE CHOIRS OF L. H. N.

The choirs of Luther North, under the able direction of Mr. Schroth, proved to be a great success. In these choirs students have the opportunity and joy of singing and spreading the Word of God. One of the greatest thrills for all the choirs was the making of a high fidelity recording in the honor of the fiftieth anniversary of Lutheran secondary education in Chicago.

Seeing and hearing all the choirs sing to the Glory of God certainly strengthens our certainty of a GOD OF YOUTH

A CAPELLA CHOIR

The A Capella Choir has performed frequently to spread the Gospel through music. It was asked to appear at a music clinic and also had the privilege of performing for the Executive's Club. Besides the regular Christmas, Lenten, and Spring Concerts, the A Capella Choir, for the first time in its history, went on tour to St. Olaf in Northfield, Minnesota, to sing with the choirs of Dr. Olaf Christiansen

MARCHING BAND

All in step and formation, the Marching Band has won fame not only at Luther. The forty-eight members displayed superb talent at our football games. Also, they were to demonstrate their talent in the Valparaiso Homecoming Parade Valparaiso, Indiana. We would like to congratulate them on their achievement and hope that we will see much of them in the future.

MAJORETTES

Twirling their batons and keeping in step with the Marching Band are the Majorettes. We enjoyed watching them perform and hope that they will continue to show us their talents.

LUTHER NORTH THESPIANS

Under the direction of Mr. Matthews this organization has been a very successful one. It has sponsored Co-ed dances, a homecoming banquet, and a variety of other activities.

May we hope that you will join us in our efforts to make this year a memorable one for all of us.

ART CLUB

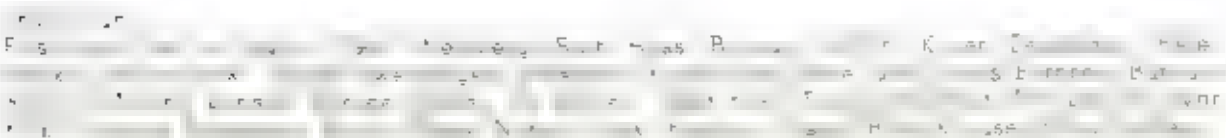

A second reason is that it is necessary to be going through the mountains. The members were kept busy all day long at the year making centers for the mountains and working with scenery for the mountain. They learned many new concepts and many new things about the mountains.

At the time of the above information, the following information was received from the Bureau of the Census, Washington, D.C., regarding the interest rate on the above information:

CRAFT CLUB

Escaping the humdrum of everyday life, these girls indulge in crafts of various kinds. Among these are knitting, embroidering, and making pillows.

They showed their love for others by giving filled Christmas stockings to the orphans. They showed their talent at the Student Fair in an exhibit. Keep up the good work girls.

RELIGION ACTIVITIES CLUB

Mike Frazier

The Religion Activities Club, better known as R.A.C., is a student organization that helps to grow the freshmen and sophomore groups and help them understand the importance of the church in their lives. They have helped many students to find a deeper understanding of God's love and grace. They also help to organize and sponsor various activities and events for the church. May God continue to bless the students and the organization.

SCIENCE CLUB

The Science Club is a group of students who are interested in the study of science. They meet regularly to discuss current events in science and to work on projects.

For the year discussions and projects were able to be completed. The club members were able to complete a number of projects and to discuss a number of current events in science.

BIOLOGY CLUB

The Biology Club is a group of students who are interested in the study of biology. They meet regularly to discuss current events in biology and to work on projects. projects such as the study of the life cycle of a frog, and the study of the life cycle of a butterfly. They also watch films on biology. The club members were able to complete a number of projects and to discuss a number of current events in biology. Although the club is small, it still found time to meet and to work on projects. We hope that this year of giving students a chance to study biology will be a successful one.

The first thing I noticed when I stepped out of the plane was the warm, humid air. It was a relief after the cold, dry air of the airport. I walked through the terminal, looking for the customs and immigration desk. I saw a sign that said "CUSTOMS AND IMMIGRATION" and followed it. I was stopped by a customs officer who asked me some questions. I answered them and then he let me go. I walked through the immigration line and then I was in the country. I saw a sign that said "WELCOME TO THE UNITED STATES" and I felt happy. I was in the wonderful place that I had dreamed of for so long.

PEP CLUB

Dick President

The PEP Club members are easily identified by their blue and gold blouses, white blouses, and dark skirts. They are members of L.H.N. and are enthusiastic supporters of all school sports, especially football games. Besides cheering, the members ushered patrons and passed out programs at games. The PEP Club did much to boost the morale of the team and cheered them on to many victories.

The Bowling Club, which has grown in a few years, is one of the most popular clubs. It has grown into two groups, the Wednesday and Friday groups. On Wednesday days members would take their bowling balls on a hike towards the Irving Park Bowl. This year, as always, trophies were awarded to the best player and the best team. We wish the club continued success in the future.

BOWLING CLUB

This club is made up of boys who have received a letter for participation in major sport. To set an example for the students of LHN is one of their main objectives. The club's highlight of the year is the letterman's basketball game. Money raised from basketball games to raise money for the school. We hope that in future years the school spirit will continue to grow, thereby making the school a better place.

VARSITY FOOTBALL

We are happy to announce the start of the football season. The team has been practicing hard and is looking forward to a successful season. The first game of the season was a win against the home team.

Frank Calho has been a standout player this year, gaining 475 yards in rushing. He has been a key player for the team and is looking forward to continuing his success in the future.

This year the team has been very successful, winning several games and making it to the P.S.L. All Star Tournament. The team is looking forward to a successful season and is confident they will be able to win the championship.

For three years in a row the Frosh-Soph football team has been undefeated in league competition. We would like to congratulate these boys who had only six points scored against them by their league opponents. The team spent many hours practicing, and their efforts were well rewarded.

Bob Haertel was the leading scorer with eighteen points. Paul Wegehaupt was the leading ground gainer with 273 yards. Other outstanding players were Bill Schmidt, Ron Freres, Don Selke, and the team's captain, Lee Thorton. The most improved player was John Gahl.

During the season Dick Calhoun was able to move up to the Varsity squad. Next year Paul Wegehaupt will be the captain.

CHEERLEADERS

Thank you to the cheerleaders who have made school spirit run through the halls of L. H. H. These hard working girls were filled with enthusiasm and helped lead our efforts in many activities.

The Varsity cheerleading squad is composed of seven members, five seniors and two juniors. This year's captain was Jay Kennedy.

The Fresh-Sign squad is composed of six members, five sophomores and one freshman. The captain was Barb L. who was chosen the most valuable cheerleader.

Congratulations to Miss Brower for presenting us with such a fine squad.

BASEBALL

This year's baseball team had a turnout of seventeen boys, ten of whom were lettermen. Del Bahn was on the team for four seasons and was chosen captain of the team this year.

Mr. Menking, assisted by Mr. Blecke and Mr. Yursky, got the team into fine shape for the season which began with a practice game against Lake View High School and a league game against Walther High School.

Win or lose, typical lutheran spirit was evident among the members, and steady improvement provided a successful season.

TENNIS

The tennis team season opened this spring with a match against E. gin. Ken Hartkopf, captain, and Nils Bark played in single matches while Friedel Acker and Dennis Streich played in double matches.

We congratulate these boys and thank them and Mr. Duensing, the coach, for giving freely of their time to represent Luther North in tennis.

Standing: Mr. Duensing, K.
Maxwell, Friedel Acker, N.

SWIMMING

In keeping with the good showing made by the team last year, the swimming team this year had another good season. Coach Hass and captain Fred Limmel worked hard to get the team into condition for the season. Although the team did not win the P.S.L. championship, they showed good spirit and won many ribbons for second and third place events.

We know that the swimming team will continue to improve and to practice good clean sportsmanship and fair play.

GOLF

The golf team this year was composed of six members, all of whom were lettermen. It was again coached by Mr. Dinkmeyer. Already in their first game against North Shore they showed that they were a well qualified group.

Mr. Teachko's Senior Hamerom Caf

The end of this book also marks the end of L. H. N. school life for the class of 1959. As a parting word we wish the faculty and undergraduates continued success in their endeavors at Luther North.

We would like to extend our thanks to Mr. Lange, our advisor; Mr. Koenig, our printer; and Wallinger Studios for their help in turning our ideas into reality.
